PRETTY GOOD RAINS BOOST CROP CHANCES

Last week the Herald missed a good news item by not including the report of a fine rain, the first of the season. This week we can include that one and another one that fell Monday night. Yes s-i-r-e-e, to keep the record straight let's talk about an April shower.

With the seventh-eighth inch fall of last week and the more than half inch this week, there is a pretty good moisture connection for planting.

This is not late for row crops and cotton but just right. However, these first rains will not suffice for long. But the grass and tree foliage is coming right out after the freeze and rains.

This April has had more ice, more frost and cold winds than "showers." Ice appeared frequently in first of the month, and even this week, fire and overcoats and wraps were needed.

Monday night's rain was heavier east of Hamlin than here. It appeared heavier also in the south. No water has yet run down our famous "Dry Callie," but here is betting a ginger cake that it will be the first stream to run in Hamlin's neighborhood in 1936.

Hamlin's lake is not full but has plenty of water for a long time without rain—then it must rain some more.

Gardening in Hamlin this year has not made much progress. No rains and unusual cold weather doesn't make beans.

The interest in yards and shrubbery this spring has been more than usual, however—it may be the Centennial Year is being felt and folks like to doll up a bit for perhaps there will be some rare visitors here this summer. Let's hope plenty of rain does fall and that our state will look fresh and green all summer—just for the visitors.

BETHANY QUARTETT

COMING TO NAZARENE CHURCH, WEDNESDAY

Accompanied by Dr. A. K. Bracken, President of Bethany-Peniel College, of Oklahoma, the college quartett will entertain Hamlin people here Wednesday night, April 29, at the Nazarene Church.

Those who care to hear good singing are welcomed to hear their program.

TO CLASSIFY SCHOOLS

FIRST MAY MONDAY

The Jones County Board will meet at 9:00 o'clock in the office of the County Superintendent on the first Monday in May to classify schools. All district trustees desiring reclassification for their schools are ask to attend the meeting.

E. EARL ISBILL. (26-2t)

Miss Nadine Morgan and her friend, Miss Evelyn Hill, spent Saturday and Sunday here with her parents, Mr. and Mrs. J. P. Morgan. Both Miss Morgan and Miss Hill are teachers in the Waco public schools and on Sunday afternoon they were accompanied to Waco by Mr. Denman Morgan.

WATER SOFTENER FOR LAUNDRY MONDAY

We expect to have a water softener ready Monday. To my farmer friends, I fully expect a liberal share of your patronage.

C. T. COLES LAUNDRY,
2nd door south Baptist Church.

PAINT TODAY, MONTHS TO PAY

No need to postpone badly needed painting for lack of ready cash. No down payment, as long as 18 months to pay out of income; first payment 30 days after work is finished and accepted by you. This covers both labor and materials. For example, the payment on \$100.00 loan, would cost \$5.98 per month for 18 months. For details see us. There is no red tape about this. No liens. See us for details.

MC CAULLEY NEWS

We are rejoicing over the rain of last week, also the rain of Monday night.

Mr. and Mrs. George Bond and family from Crosbyton, spent the week-end with Mrs. Bond's parents, Mr. and Mrs. Webb. They reported the Plains country badly in need of rain.

Mrs. Nash Miers spent last week in bed suffering from an attack of influenza.

Miss Frances Mills is spending several days at Crowell with her brother and family.

Mrs. C. M. Galloway and family attended the funeral of H. Randolph, her brother, at Comanche, on April 13th.

Jack Johnson left this week for Ft. Worth to spend the summer with his brother.

Lloyd Andrews and Arnold Galloway spent last week-end at Knox City.

Mr. and Mrs. Eugene McCloud spent Saturday in Abilene.

Several of the Scout officials attended a Scout meeting in Sweetwater Monday night. We are glad to say McCaulley has a fine Boy Scout organization, under the leadership of some of the finest men of our community.

Not only the Methodist people, but the entire community regretted to hear about Bro. Johnnie Price, of Sylvester, car accident. Bro. Price was once pastor of the Methodist Church here, and highly esteemed by all.

Many of the Baptist people along with their pastor, enjoyed the Fisher County Workers' Conference which met with the Plasterco Church, Monday, April 20th. We would be safe in saying we believe the Superintendent of the Methodist Sunday School enjoyed this meeting too.

SANTA FE TRAINS

TO HAVE NEW SCHEDULE

Effective on May 10, the Santa Fe passenger trains will have the following schedules:

NORTH BOUND:

Leave Hamlin at 9:45 A. M.

WEST BOUND:

Leave Hamlin at 7:20 P. M.

According to Agent W. T. Cherry, this schedule will not affect the mail connections out of Hamlin to the points to the west and the South, and will, perhaps be helpful to Hamlin outgoing mail, as well as advancing the incoming day mail.

This schedule will enable one, for example, to leave Hamlin on Monday morning and reach Wichita, Kans., at 11:25 P. M. or Kansas City at 8:00 A. M. Tuesday and Chicago at 8:45 P. M. Tuesday. This looks like fine time. In other words eat your breakfast in Hamlin Monday and take a late dinner in Chicago the next evening.

MRS. C. D. SCOTT DIED SUNDAY AFTERNOON

Death took Mrs. C. D. Scott from her family at 4:20 P. M. Sunday, April 19, after several months of illness.

Mrs. Scott's maiden name was Daisy Joe Williams. She was born in Augusta, Arkansas, October 3, 1892, and was 43 years, 6 months and 16 days of age, at death. She came to Jones County with her grandmother at about the age of 13 and this community has been her home since.

Mrs. Scott became the wife of C. D. Scott on November 11, 1908. To this union there were seven children, five of whom survive with the father. Their names are George; and C. D. Jr.; Neelie Mae and William; and one married daughter, Mrs. J. M. Alexander of the Neinda community.

One sister, Mrs. Loo Randals of Lamesa, and one brother, L. B. Williams, of Big Spring, also survive. Both of these were present at the hour of death.

Mrs. Scott was a woman of many lovely traits of character, kind, patient, a devoted mother and a faithful companion. Her happy disposition won for her the friendship of all who met her. She was a member of the Presbyterian Church, a true Christian.

The funeral services were conducted at the Neinda Methodist Church on Monday afternoon, by the pastor, Rev. Bateman of McCaulley and Rev. J. Henry Littleton of Hamlin.

Beautiful tributes expressed in the words of the ministers and by the abundance of floral offerings reflected the esteem and love of friends and loved ones.

A sister of Mrs. Scott, Mrs. V. T. Buel and family, of Booneville, Ark., had been in the home several days, but the husband and children had returned before death came.

ROBERT JOHNSON

RECOVERING FROM A BAD COTTON MASH

Last week Robert S. Johnson, owner and operator of the big cotton warehouse near the A. & S. depot, was almost fatally injured when a few bales fell on him, while getting the cotton out or ready for shipment. He was badly hurt but reports say he is coming out of it fast.

SAN JACINTO DAY PROGRAM

Commemorating the one hundredth anniversary of the battle, which won Texas independence, the Seniors gave a pageant of Texas history Tuesday morning in the High School auditorium.

The parents of pupils who live in the rural districts were invited to see the pageant and to visit the school during the remainder of the day.

At noon a delicious plate lunch was served to the visitors, Seniors, Faculty, and member of the School Board by the Home Economic pupils.

Visitors attending were: Mrs. E. M. Morgan, Mr. and Mrs. Ed Bailey, Mrs. C. H. Harris, Mrs. O. W. Rush, Morris Harris, Mrs. T. E. Shelburne, Thomas Teague, Mr. and Mrs. J. H. Morton, Mr. and Mrs. Frank Kutach, Mrs. Greenway, J. E. Moody, Mrs. J. E. McCoy, Harold Bonner, and W. C. Russell.

"THE FUNNY DUCK"

Just wait until you see W. B. Teague as the queer-looking duck, with monocle and the traditional English accoutrements. Laugh, laugh, and then laugh some more because you'll feel like a new person when "Guess Again" is over.

YARD SAND \$1.50 YARD

I'm coming to town nearly every day from my sandy land farm south of Boyd Chapel. If you want some clean sand or sand-soil will deliver a cubic yard to your home for \$1.50.

DISTRICT PARENT-TEACHER CONFERENCE MET IN SPUR

The Texas Congress of Parents and Teachers, District Number Fourteen, held its eighth annual conference in Spur, April 17th and 18th. "The Home, the Index of National Life," was used. This theme was first used in the National Convention, then in the State Conventions and is suggested for local units to carry out in their program next year.

The conference had the largest registration in its history, there being 236 official and visiting delegates. It was honored by having the State President, Mrs. M. A. Taylor of Bonham, and Mrs. Stephen Chamness, Executive Secretary, of Austin, attending all sessions. Seeing and hearing these two women talk of the work the Congress is doing and the principles it stands for is an inspiration to anyone and makes one proud to have a part in the work.

Other distinguished speakers on the program were Dr. Bradford Knapp, of Texas Tech, Lubbock, who spoke on "The Changing Responsibility of Home and School," and Mrs. Nettie Myers, State Child Welfare Representative, who discussed, "Wider Horizons for Welfare of Texas Children."

This conference marked the close of four years of service to the district by Mrs. James B. Day of Rotan. Mrs. W. R. Weaver, of Spur, was elected for the next two years.

Spur showed every courtesy to the delegates. They served two lunches at the high school building, entertained guests in their homes over night and served breakfast. The Spur Rotary Club proved to be most genial hosts to a "Chuck Wagon Feed" served in cowboy style.

Hamlin P. T. A. was represented by Mrs. Mac Brundage, Mrs. Tom Teague, Mrs. H. A. Longino, Mrs. W. T. Cherry, and C. G. Green as official delegates. Saturday, nine others went as visiting delegates: Mrs. C. G. Green, Mr. and Mrs. E. O. Larkin, Mr. and Mrs. Gordon Bennett, Misses Marcelle Jones, Duckworth and Tommy Cox and Ted Longino. Mrs. Brundage served on the executive board as District Chairman of Motion Pictures and Mrs. Cherry as District Chairman of Standards.

HAMLIN WINS 1937 MEETING

The last bright spot on the program, was when invitations for the conference for next year were in order, when Hamlin's entire delegation rose to follow the Pied Piper, it caused so much commotion most all the body of people were of one accord to follow him right then. Ted Longino, dressed in the official costume of the Pied Piper, entered the auditorium blowing his horn. The Hamlin delegates rose to follow him to the front where Mrs. Tom Teague extended the invitation in rhyme. Others followed with couplet of rhymes spelling the word HAMLIN. Mr. Green then closed the invitation in a most cordial manner. Then the secretary told the conference that the invitation was seconded by eight telegram from Hamlin's Mayor, Mr. Joe Culbertson; Chamber of Commerce; School Board; Rotary Club; Lions Club; Postmaster, Literary Club and Schubert Music Club. The invitation was accepted by the Board instead of Lubbock, who also extended an invitation.

The local unit appreciates the hearty co-operation of the various leaders and organizations of Hamlin in backing up the invitation. With the united effort of every person in town, the 1937 District Conference can be nothing else but a glorious success, for which, the lives of individuals will be enriched in learning how to raise the standard of the home life, school life and community life of our children.

—Publicity Chairman.

SWEDONIA CLUB NEWS

Proper storing of bedding is a great help in keeping track of each kind of article used in bedding, so Mrs. Fred Young told the Swedonia H. D. Club April 20th at Mrs. Jerry Crowley's.

In a storing closet for beddings, trays are most useful for such things as, sheets, pillow cases, towels, bed spreads, etc., because you can tell at a glance where to find just what you want. Trays may be fixed to be raised or lowered as most convenient. Shelves should be at the top and used for things not used often. Drawers should be at the bottom and used for quilts, comforts, pillows, that are used often. 36 inches is a good length for drawers and shelves. This is just right for folded blankets. 18 inches is a good width and from 10 to 14 inches a good depth.

Club was called to order by our president, Mrs. B. C. Carriker. Club voted to sell candy at Royston school house at the baseball club play, "The Purple Tantrum." Mrs. N. L. Crowley gave a funny reading. Mrs. Jerry Crowley's wool comfort was made by the club.

Mesdames Tarlton Willingham, Fred Young, R. M. Young, H. J. Jackson, J. H. McKay, J. M. Dodds, N. L. Crowley, B. C. Carriker and Jerry Crowley were present. Cake and punch were served.

Next meeting will be at Mrs. B. C. Carriker's, May 7, 2:30 P. M. Mrs. N. L. Crowley and Mrs. Jerry Crowley will give a demonstration on "Care of Bed for the Sick and How to Turn and Care for the Patient." Come—if interested.

REPORTER.

Mrs. M. T. York, Mrs. J. C. Turner and Mrs. Ray Willingham went to Waco Friday afternoon to visit their sons in Baylor University. They were fortunate to get there right in the midst of a big High School Band Contest. Bands paraded the streets on Saturday afternoon. They found all the Hamlin boys in fine shape, except Jack York had a broken finger from catching a ball.

W. T. VALLEY LEAGUE BASE BALL OPENED SUNDAY

Hamlin opened the Wichita Valley League Sunday, April 19th, at Anson, Hamlin taking the big end of the count, 14 to 5.

Features of the game was the long distance hitting of Weeks, Rowland and Bond, the latter, the pride of Wise Chapel, his 2 home runs the first times at bat. Other Wise Chapel and Neinda players were Jenkins, McCoy, and Hubbard.

Batteries fr Hamlin: Ace Stewart, McCoy. For Anson: Garner, McCracken, Hollis, Day and Kennedy.

Anson comes to Hamlin Sunday, April 26th for the 2nd League game, and the first League game of season at Hamlin.

Manager Bill Hollis of Anson, is bringing over a complete new line up and promises to bag the game.

Manager "Tut" Tabor of Hamlin, who for the past years, played with Cisco and Breckenridge, has been on the scouting list the last few days looking for still better material.

He will have three of his old team mates back with him for the Sunday encounter, Bucky Harris, Buford Allen and Chuck (Charlie) Abbott. All of the boys can hit and field.

Manager Tabor promises Hamlin and surrounding fans one of the best ball teams Hamlin has ever had, and will expect the loyal support of all the fans to do so.

So, let's go out and boost Hamlin to another Wichita Valley League pennant.

HERE'S YOUR CHANCE
TO SEE IN DALLAS
BUSY LIFE OF BEES

The life of the bee, made familiar by Maurice Maeterlinck's classic, will be visible to visitors to the Texas Centennial this summer from birth to death.

A glass hive, every part of its interior visible, will house a swarm of bees. A hollow glass tube, four inches in diameter and twelve feet in height, will provide them with an exit from the hive to the outdoors.

The bees thus will be able to gather their nectar from the flower gardens over the grounds of the \$25,000,000 Dallas World's Fair, return to the hive and there convert it into honey as the visitor looks on through the glass hive. Apiarians say bees are so intelligent they will recognize the purpose of the tube a few moments after they are placed in the hive.

The average cruising radius of a working bee is three miles, so the denizens of the Exposition hive will be able to fly over the fence of the fair and gather their nectar from private flower gardens if they ever get tired of the myriads of blooms within the grounds. Apiarians assure Exposition officials that city bees will return to the hive, even as they do to those on farms. Apparently the bee is as self-confident as he is industrious, and never suffers from stage fright or annoyance, no matter how many people observe him in his most intimate activities.

J. A. Moore, director of agricultural exhibits says, that during the six months' run of the World's Fair the bee colony will produce any number of queens as well as work-

TO TAX PAYERS

OF HAMLIN INDEPENDENT SCHOOL DISTRICT

When the members of your School Board took office, they were sworn, under the law, to assess, levy and COLLECT taxes.

For some time past we have felt that we did not want to press our friends and neighbors on the payment of taxes, due to the general conditions that existed.

We have now reached a point in the affairs of your School District where the payment of your taxes is imperative. We are behind in both interest and principal on our bonded debt, and a suit by bondholders to enforce the payment of money due them could not be criticised, in fact, it is to be expected. We owe the money and it should be paid. We feel that neither you nor the Board desire either State or Federal Court action for the purpose of enforcing collections.

It so happens that a large part of our debt is held by the State Permanent School Fund. Under the law, by being two years delinquent in our payments to the State Permanent School Fund, the State has the right to deny us our per capita apportionment, which amounts this year to \$17.50 per capita.

We are now about a year delinquent with the State, and should we fail to get current, the loss of the per capita apportionment would not only seriously cripple the operation of our schools, but would probably cause us to materially shorten our scholastic term. WE DO NOT WANT THAT TO HAPPEN—YOU DO NOT WANT IT TO HAPPEN. The way to avoid it is for the good citizens of this District to make every possible effort to pay their own taxes and to urge your neighbor to do likewise.

We again call your attention to the fact that your School Taxes have been greatly lowered, that we have not required penalty or interest to be paid for the past four years, in fact, the tax payer has

There is no mystery about PALATABLE COOKING

The idea of a cooking appliance able to turn out a savory dinner without the aid of an expert cook has intrigued engineers for many years. But not until today's modern gas range has success crowned their work.

In all divisions of cookery—top burner, broiling and oven—the modern gas range introduces new and higher standards of cooking performance. With its accurate control of cooking heat, its insulated oven, its simmer burners, anyone can prepare a dinner done to a queen's taste.

So see these new ranges. There's a model to fit your family needs. And once you learn how easy one is to use, how economical to operate, how easy to buy . . . you'll see the wisdom of modernizing with a new gas range.

MISS ODINE WIENKE AND MR. G. F. SPITZER MARRIED AT SAGERTON LUTHERAN CHURCH

Ferns and baskets of roses formed the background for the marriage of Miss Odine Wienke, daughter of Mr. and Mrs. W. G. Wienke, of Old Glory, to Mr. Garret F. Spitzer, son of Mr. and Mrs. Fred Spitzer, of Sagerton, Sunday at the Lutheran Church in Sagerton.

Rev. Muehlrad, pastor of the church read the ring ceremony.

Preceding the service Mrs. Leslie Wienke sang "At Dawning." The wedding march was played by Mrs. Herbert Spitzer, accompanied by Mr. Herbert Spitzer on the violin.

Miss Elsie Wienke, sister of the bride, and Mr. Troy Walker, of Hamlin, were the only attendants. The bridesmaid wore a frock of orchid starched lace, and carried an arm bouquet of Talisman roses.

The bride wore a gown of white mouslin do soie. Her veil of illusion was held in place by a halo of lace decorated with seed pearls and orange blossoms. Her bridal bouquet was of white carnations.

A reception and dinner was held after the ceremony at the home of the bride's parents in Old Glory.

After the dinner the young couple left for a short wedding trip. Mrs. Spitzer traveled in an ensemble of dusty pink crepe with blue accessories.

Mr. and Mrs. Spitzer will make their home in Sagerton, Texas.

Betty Myrle Routh will furnish you with several big laughs, besides telling you the proper things to eat and showing you her "Uplift Walk." See "Guess Again" and ever after do the uplift.

SAVE PENALTY AND INTEREST

APRIL 30, 1936, LAST DAY FOR PAYMENT OF HAMLIN SCHOOL TAXES WITHOUT PENALTY AND INTEREST

In compliance with the Texas State Statutes, the Hamlin School Board has set the last day of this month (April 30, 1936) as the final date for the payment of unpaid taxes due the Hamlin Independent School District without penalty and interest.

We are asking for payment of Hamlin School taxes before April 30 for two reasons, viz:

1st. The Hamlin Independent School District is far behind in the payment of accumulated debts and must have money for payment on these debts.

2nd. The Hamlin School Board has been extremely lenient in the matter of school tax collections, and in conformity with this leniency has set the final date for the payment of school taxes without penalty or interest at a late date—April 30th.

Please help finance your schools by immediate payment of your school taxes.

THIS WEEK IN TEXAS HISTORY

BY F. L. McDONALD

WEEK OF APRIL 19:

1835—The legislature of Coahuila and Texas closed forever on April 21.
1836—The decisive battle of San Jacinto was fought April 21, and Santa Anna was taken prisoner. April 22 was the first real free day in Texas. Before that time her people had merely declared their independence.

1844—Former president Van Bur-

en states in a letter that he regarded the annexation of Texas without the consent of Mexico dishonorable. The letter was published and cost his renomination for the presidency.

1882—An act was passed April 22 repealing all laws granting lands to persons for the constructions of railroads, canals and ditches, and the policy of extending public aid to railway constructions came to an end.—Texas State College for Women (CIA).

Thad Harden, Jr., arrived Thursday of last week to spend his spring holidays with home folk. He returned to A. & M. Sunday to resume his studies.
